### **WHAT POOJA WESTERN METALIKS LIMITED DO ?**

Concept of **everything in one roof** Undertaking several business expansion programs, we have established a state-ofthe-art foundry that has a daily capacity to produce tons of brass solids and hollow bars. Formulating the concept of 'everything in one roof', we have developed in house forging and machine turning facilities. Cultivating a sound vendor management and supply chain operations in the international market have been a baseline for our good business relationship with the suppliers and scrap processors.
